Our program is excited to build on our WNIT Elite Eight run from last season and we are excited to contend for a third straight Big West Championship. We have already established a close-knit team chemistry that I believe will translate into wins both on and off the court this season. With many talented players returning, we are poised to make another post-season run and make our alumni and fans proud.

In the classroom, we continue to see great success. Our team consistently achieves a team grade point average (GPA) above 3.0 with majors ranging from Biomedical Engineering to Managerial Economics. We also continue to have a major presence out in the Davis community visiting local elementary schools and partnering with Team Davis, a local Special Olympics Chapter.

We need your support to continue our winning culture! That is why we ask you to renew your membership in or join the 3-Point Club, a booster organization with the sole purpose of growing and expanding the success of UC Davis Women’s Basketball. The 3-Point Club is a way for you to have a direct and immediate impact on the program and provide us with important resources to give our student-athletes an amazing experience.

As we gear up for the season, I hope that you will become a member of the 3-Point Club and help us achieve our championship goals. We greatly appreciate your support and look forward to an exciting year.

Go Ags!
