OFFICIAL BOOSTER CLUB OF UC DAVIS MEN'S WATER POLO

UC DAVIS

In 2017 your men's water polo team once again claimed the WWPA Championship! This makes us back-to-back champions for the first time since 1996-1997—a great achievement for our student-athletes! We advanced to the NCAA Play-In game and were just one goal shy from advancing past the University of the Pacific (UOP) and into the final four for the first time in program history.

The unbelievable support from our water polo community has played a key role in our success. Last year we launched the **6on5 Club**, a booster club with the sole purpose of helping Men's Water Polo student-athletes achieve greatness both in and out of the water. We continue to look for new members. By joining you will have a direct impact on our competitors and the betterment of our

program. **All funds raised by the 6on5 Club go directly to support UC Davis Men's Water Polo.**

Active fundraising is essential to athletic success in the modern era of collegiate athletics. To advance the program and help our student-athletes succeed, we need your help! That is why I ask you to show your support for Men's Water Polo by joining the **6on5 Club** today.

I look forward to seeing you on the pool deck soon. Go Ags!
